Profile

I am a creative graphic designer working across both print and web projects. I can provide you with accessible and user friendly CSS based websites and print design services with high level of quality and professionalism.

Objective

I would like to gain work experience and utilize my skills, provide high quality, cutting edge design solutions through contribution in a creative, energetic team environment.

Leisure

Design: is also my hobby. In my spare time I am working on my own artwork or on my blog.

Photography: working with this powerful medium to expand the breadth of my design skills

Travel: love the culture shock and meeting interesting, great people. Learn foreign languages and cultures.
